**Re: RIDOT's FY 2018 INFRA Grant Application – Providence Viaduct Northbound Project**

Dear Mr. Alviti:

On behalf of AAA Northeast, I write to you in full support of RIDOT's FY 2018 INFRA Grant Application for the Providence Viaduct Northbound Project.

AAA Northeast is a dedicated proponent of driver safety, and I believe the improvements outlined in this INFRA Grant Application are necessary to ensure the roadways in the heart of Rhode Island remain structurally sound well into the future.

Since drivers in our communities have long sought upgrades to the I-95 infrastructure, AAA Northeast is prepared to offer our assistance to RIDOT in any way we can to advance the reconstruction of one of the state's busiest roadways.

Should you have any questions, please do not hesitate to contact me.

Very truly yours,
